Note for file - S. Res. 204:

Per conversation with Mr. Warner on this date, we will "sit" on this one in view of DDCI's note. (I previously checked BOB on this and no one had submitted draft reports at that time). If we are pressed later, we will put this in to BOB for clearance.

MEMORANDUM FOR: DIRECTOR		Executive Registry 63-74564
<p>Attached for your approval is a proposed reply to a request from Senator Fulbright for the Agency's comments on a resolution introduced by Senator Ribicoff on the subject of anti-Semitism in Russia. Remarks: <p>Attached is a letter from Fulbright to the DCI asking for comment on S. Res. 204 containing Soviet persecution of Jews. In this case I believe it appropriate a written response be prepared for the Director's signature. Possibly our answer would be restricted to what we know about Soviet persecution without expressing a view on the resolution as such.</p> <p style="text-align: right;">John S. Remarks: The Senate Foreign Relations Committee is now pushing for a report on Senate Resolution 204. Originally this was requested last year and at General Carter's suggestion we just held it. The attached letter for the DCI signature is a slightly more general version of the one previously prepared in the DD/I office. In view of the short deadline, i. e. , Friday, from the Committee, we have already forwarded a copy of this to the Bureau of the Budget for their clearance and if the Director approves we would like him to sign this and we will hold it until BOB gives us a clearance.
